GAME DESCRIPTION

Skill Shot 21 is a one player redemption game. The game theme is based upon Black Jack. The object of the game is to create a hand worth a maximum of 21 point or less, but more than the “dealers” hand. After the 1st cards are dealt to the player and the dealer, a pinball is sent into play on a pinball like playfield. Based upon where the ball goes and finally rests, the next card for the player is determined. The player, during the window of opportunity, activates a bumper for game play. The player may “hit” for another pinball round, or “stay”. Once the players hand is established, the dealers hand is determined in the same fashion, utilizing the playfield. If the players hand exceeds the dealers hand without exceeding 21, the player wins. Bonus prize amounts are awarded for consecutive wins, up to five (5) times. All awards are dispensed as tickets to the player for prize redemption.

CONDITIONS
